Select

Select which students you would like to enroll into this program and click **Register**. You may register multiple students on 1 application as long as they are attending the same school site.

Click on the **student's name** to begin the registration

Fill out all of the applicable information on this page.. *Please note that required entries will have a **red** disclaimer until completed. (Please note that the questions and screenshots included in this document may not accurately reflect your specific Enrollment Plan)*

Grade

Grade is required

Date of Birth

Date of Birth is required

When complete, click **Next** in the bottom right hand corner.

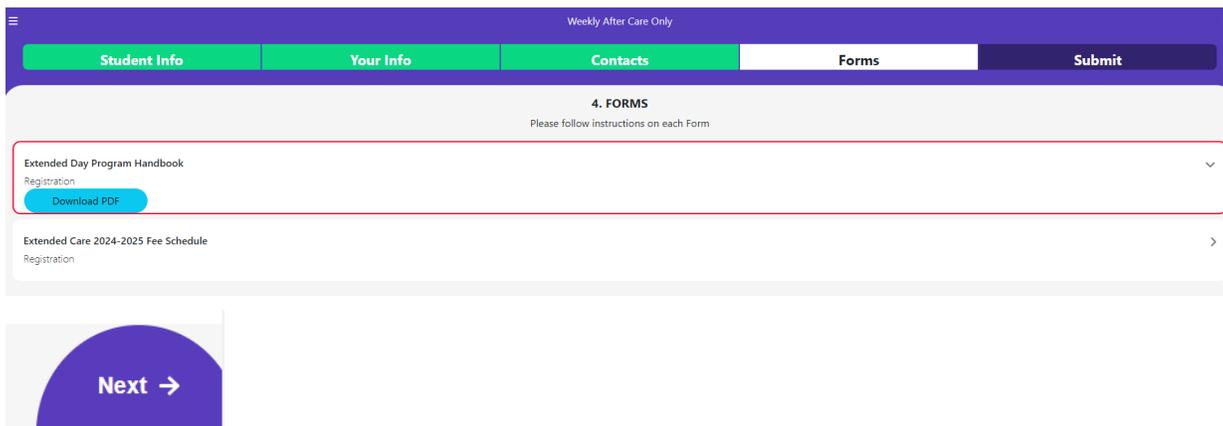

If you are registering multiple children, please repeat the process for each student. If all of the information is completed, the student box will have a **green** outline and you may click **Next** to Proceed. If the student outline is **red**, then there is missing information. You may proceed and return to this tab later, but this information **must be completed** before the registration can be submitted.

Next fill in your information and click **Next**. *Please note that you will be the primary contact for this registration.*

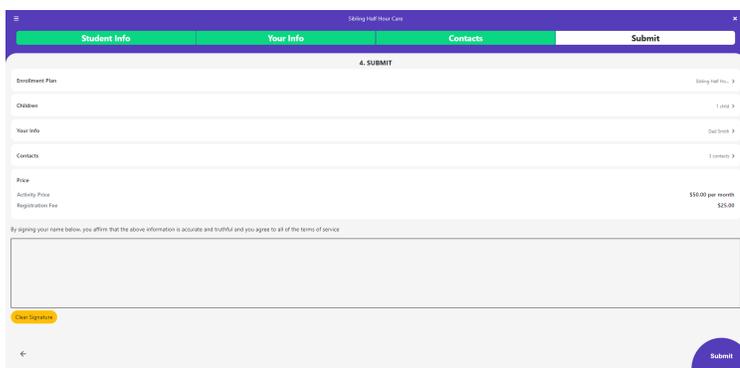

Click **Add Contact** to enter information for an additional contact and click **Next**.

Repeat this step for each additional contact or authorized pick-up person you would like to add and click **Next**

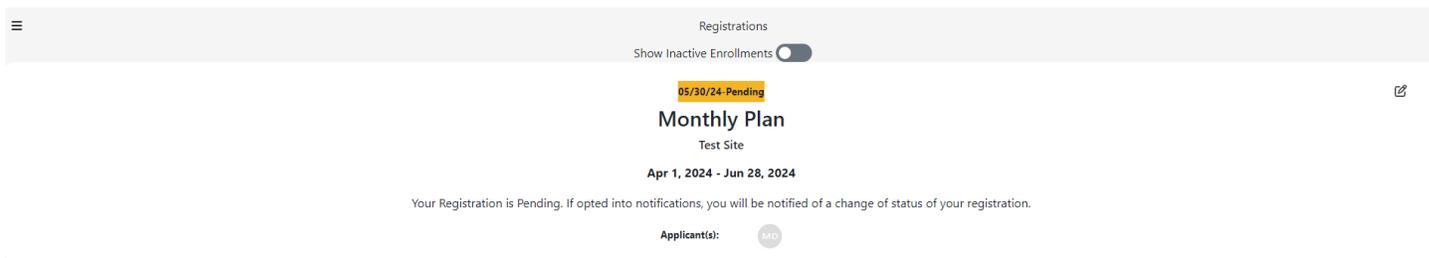

Click on a form then click **Download PDF** for any Forms that have this option present then click **Next**. Some forms must be downloaded to complete the registration process.

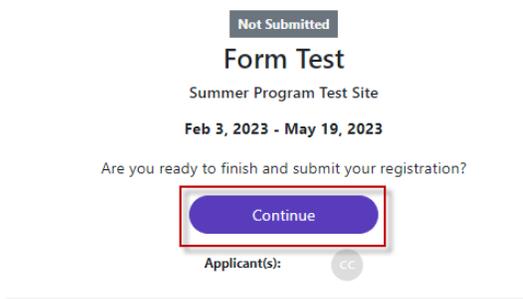

From the submission tab, you may review your information and navigate back to any sections that were incomplete or that you want to update. Once you have reviewed the information, sign your name using the mouse or your finger if using a device with a touch screen and click **Submit**.

You will now be able to see your Pending Registration and/or Start a New Registration.

If you need to return to an incomplete registration, log into <https://www.msactivities.com/> with your MySchoolBucks login information. Click **Enrollments** and click **Continue** on the registration you would like to complete.

If you need to provide updated information for your registration, log into <https://www.msactivities.com/> with your MySchoolBucks login information. Click **Enrollments** and click on the Edit icon on the right and update your information. *Please note that any updates are subject to approval or rejection by the Extended Day team.*
